Dear Guest,

First, let me say CONGRATULATIONS for taking the initiative to sign up for survival skills training! I am very excited that you have chosen to join us for a Survival Clinic here at Willow Haven Outdoor. I have an awesome course schedule in store for you and have spent 100's of hours in planning, preparation, study and practice to make sure it is an incredible survival learning experience. Your course will include some indoor classroom work but we will be mainly working outside learning 'hands-on' skills.

Your downloads should include several items:

- Course Waiver: Each course attendee must sign our Waiver to participate in Willow Haven Courses. This is a very standard waiver that you would expect to see with any adventure or outdoor skills course/class. You can bring it with you and give it to us when you check-in.
- Course Schedule: This includes set-up and tear-down times as well as a rough outline of what to expect each day.
- Materials List: This is a list of what to bring with you. It also lists items that you should not bring.

For those traveling out of town you may find this travel link helpful:

<http://willowhavenoutdoor.com/travel-directions/>. You may arrive Thursday and stay at our facility at no extra charge if you have a long drive, etc. The gate will be open from 5pm until 10pm Eastern Standard Time if you wish to do so. If you plan on arriving Thursday evening you must fill out the on-line **Early Bird Arrival Form** that can be found at the bottom of the Course Packet Download page.

If you have ANY questions in between now and your course date, do not hesitate to call or e-mail me at 317-703-9655 or creek@willowhavenoutdoor.com.

Remember, it's not IF but WHEN,

Creek Stewart, Owner
